FOURTEEN PAGES—FIVE CENTS

"KIDNAPED" BABY—British Hotel Heir Jimmy Goldsmith claimed in Paris that his ailing four-month-old daughter, Isabel, above, has been kidnapped and is in danger of death if not given prompt medical care. However, there are indications that the "kidnaping" might be the start of a fight for the child's custody between Goldsmith and the parents of the late Bolivian tin heiress Maria Isabella Patino, who died when her daughter was born.

Grand Jury To Hear FHA Witnesses

CHICAGO (AP)—Abuses of the Federal Housing Administration's home repair and improvement loan programs in the Chicago area will be probed by a federal grand jury Tuesday.

U. S. Atty. Robert Ticken said Friday he will present to the jury witnesses in five cases of alleged abuses.

Some of the same witnesses appeared this week before a Senate committee headed by Sen. Capehart (R-Ind.) which is investigating the fabulous windfall profits made under housing and home improvement loans guaranteed by the government.

Among the cases which probably will be presented to the jury, Ticken said, are those testified to by Maurice Bauman, Champaign, Ill., real estate man. He told the Capehart committee of having used "straw men" to obtain FHA home improvement loans.

Ticken said the Bauman cases might go before the grand jury in Chicago because Bauman testified that a number of FHA loans were financed through a Chicago firm for clients he recommended.

"The cases we are presenting to the grand jury are not a direct outgrowth of the Capehart committee hearings," Ticken said. "We had completed our investigation three weeks ago, but delayed the jury presentation pending the committee hearings."

U.S. Has Built Military Might While Saving Money; Sec. Wilson

LINCOLN, Neb. (AP)—Secretary of Defense Wilson said Friday night America has built up great military strength and at the same time "we are saving money for the taxpayers."

Wilson spoke at a Nebraska industrial symposium three days after the administration announced in Washington that defense spending in the fiscal year which began July 1 will be reduced three billion dollars. The new total is \$41,900,000,000.

"We are saving money for the taxpayers," Wilson said, "and at the same time increasing the strength of our military services in a way that will give the nation the greatest security."

"We have organized and do have great military strength—in the air, on and under the sea and on the land. I am confident that we can continue to maintain our national security without falling into national bankruptcy."

Wilson said a major goal of his department is to get "the maximum combat effectiveness from every dollar made available by the people through their Congress" and added:

"We have reviewed our basic military strategy in the light of present world conditions. We are taking full advantage of all technological developments, new weapons and weapon systems."

"We have a military program which we are making every effort to keep in balance and in a state of readiness. We are achieving increased combat effectiveness throughout all our military services."

Benson Inspects School Stressing Farm Instruction

JOLIET, Ill. (AP)—Secretary of Agriculture Benson made a surprise stop in Will County Friday to inspect a new high school emphasizing instruction in farming.

The secretary planned to stop only five minutes on his motor trip to the National Plowing Championships at Olney, Ill., but stayed a half hour. The 400 pupils were hastily summoned to a special assembly in the gymnasium to hear a brief address by the Cabinet member.

Built at a cost of \$1,300,000 the new Lincoln-Way Community High School near New Lenox, east of Joliet, opened for classes this fall. It draws pupils from 93 square miles of northern Illinois farming country.

Secretary Benson toured the building and expressed "great interest" in the extensive farm instruction program and the school's facilities and equipment for carrying it out.

The secretary said he planned to spend Friday night in the U.S. Grant Hotel, Mattoon, where he would confer with Joseph T. Meek, Republican nominee for U. S. senator from Illinois.

REDS FAIL TO CLAIM MIG N. KOREAN FLEW TO U.S.

WASHINGTON (AP)—The Russian-built MIG15 jet fighter which a North Korean pilot delivered to Americans for \$100,000 a year ago has never been claimed by the Communists.

The Air Force said the plane currently is under study at headquarters of the Air Proving Ground Command at Eglin Air Force Base, Fla.

When the plane was turned over to the U.S. Air Force, authorities offered to return it to the owner who could prove his claim.

Officials speculated Friday that the Russians never had the gall to ask for the plane, and the North Korean or Chinese Communists probably would have had difficulty proving their ownership.

Eisenhower Needs Democratic Congress Truman Letter Says

INDIANAPOLIS (AP)—Harry S. Truman asked the American people Friday to give President Eisenhower a Democratic Congress in the "hope that we can save him from the misdeeds of his own party."

In a letter to Democratic National Chairman Stephen A. Mitchell, the former President said, "the worst thing the Republicans have done is to weaken the position of the free nations in the fight against Communist imperialism." Eisenhower, he said, needs a Democratic Congress in order to "go down in history as a successful president, who helped to save the free world."

Mitchell released the letter at a news conference as Democratic leaders headed into a strategy session to chart their campaign to toss the GOP out of control of Congress in the November election.

The chairman told newsmen the tide is running for party candidates and "gaining in momentum." "Generally speaking," he said, "I think we have in the making the greatest Democratic sweep since 1936."

That was the presidential election year in which the GOP savaged only Maine and Vermont from a Roosevelt landslide. While Mitchell contends the Democrats may take some 40

Pope Not Fully Recovered From Earlier Illness

CASTEL GANDOLFO, Italy (AP)—Pope Pius XII, looking pale and tired, said Friday he is not yet fully recovered from the grave illness that confined him to his apartment early this year.

Talking to this reporter who attended his general audience Friday, the 78-year-old head of the Roman Catholic Church said he is still suffering.

He said doctors had advised him that by November he should be fully recovered, but he hoped his recovery will not take long.

When the reporter explained that he was from The Associated Press, the Pope gave his blessing to The AP.

The pontiff, tired from the intensive program of audiences that he has been having during the past three months, sat as he spoke to 350 members of a medical conference for about 15 minutes. However, the very fact that he appeared and spoke indicated there is no serious concern over his health at this moment.

Before the audience, Prof. Adalberto Pazzini of Italy, president of the Medical Congress, was called into another room and told "not to keep the Pope too long. His condition is not good."

The Pope read his speech from typewritten sheets. Near the end, his hands shook slightly, and his voice at times faded.

At the end, he sat for several seconds, seeming out of breath. He was helped down the five steps from his throne.

Sulpha Discoverer Announces Drug To Combat Cancer

STOCKHOLM, Sweden (AP)—The German scientist who discovered sulfa drugs announced Friday the discovery of a new compound which he said has striking effects upon laboratory cancers.

Dr. Gerhard Domagk, who won the Nobel Prize for medicine in 1939, said the new drug had a specific effect against tumors and made them disappear just as quickly as they had grown.

A 10-day old experimental tumor, he told nearly 1,000 doctors attending the Third International Congress of Internal Medicine here, disappeared in exactly 10 days under the action of the new drug.

Domagk described the new compound as choline with ethyleneimine groups and said its action is extremely swift, even in dilutions as weak as one ten millionth.

Choline is a benzene compound, most of which are dye stuffs.

Barrett stated simply that he "had the habit of indulging our customers" by "holding checks for different people." He said he had no idea the amount was so great, and that he expected the checks to be made good.

State bank examiners, FDIC representatives and FBI agents closed themselves up in conferences on the situation. They gave out no details.

Indict Mother Of Three For Husband's Murder

LAWRENCE, Mass. (AP)—Mrs. Lorraine Clark, 28, attractive mother of three children, was indicted Friday on a charge of first degree murder in the slaying last April 10 of her husband, Melvin W. Clark Jr., 29.

An Essex County grand jury returned the indictment after hearing 30 witnesses and a reading of a three-page statement which Dist. Atty. Hugh A. Clegg said was her confession.

Conviction on a first degree murder charge carries a maximum penalty of death.

Clegg said she will be arraigned in the Superior Court here some time next week. She has been held without bail in the Essex County jail at Salem.

The grand jury of 19—including four women—charged that the brunette, a former waitress in an Amesbury diner, "on April 10 did assault and beat Melvin W. Clark, the younger, and by such assault and beating did kill and murder Melvin W. Clark, the younger."

Mrs. Clark was arrested June 26 after Clegg said she signed the statement following 14 hours of questioning.

He quoted her as telling investigators she carried the body from their home at Lake Attitash in their convertible car to the Rooks Island Bridge where it was dumped into the river.

An unidentified birdwatcher discovered the body three weeks later. An autopsy disclosed that Clark had been shot twice in the head, stabbed with a sharp weapon, and bound with rubber-covered electrical wire. It had been weighed with three small anchors.

Mrs. Clark first reported her husband, an employee at the CBS-Hytron electronic factory a few miles away, had disappeared. She later consulted a lawyer about filing a divorce suit.

Frost Warnings Issued For Parts Of Northern Plains

By THE ASSOCIATED PRESS

Freezing weather moved southward across western Canada Friday and the U.S. Weather Bureau issued its first frost warning of the season for parts of the Northern Plains.

An overnight frost with temperatures ranging from 32-40 degrees was forecast for most of North Dakota and part of Montana east of the Continental Divide.

North Dakota usually has its first killing frost between Sept. 10-20. Some readings in the 20s were reported Friday in Alberta. F. Smith and McMurray reported low temperatures of 23 degrees.

The cold air covered most of the northern border states. Some places in Montana had afternoon readings in the 40s, but elsewhere in the chill area most daytime highs were in the 50s and low 60s.

Summerlike weather prevailed from Kansas to Texas and eastward through the Ohio Valley into the mid-Atlantic states. Sunny skies and midday readings of 90 and above were common in this area.

Showers sprinkled the southern Great Lakes.

Will Meet To Consider Problem About Oct. 15

LONDON (AP)—The United States and Britain agreed Friday night on quick action to bring West Germany into the Atlantic alliance on a basis of full equality. France has promised support, in principle at least, for this move.

Secretary of State John Foster Dulles and British Foreign Secretary Anthony Eden wound up a 3½-hour session at the Foreign Office by issuing a call for a speedy conference to consider how best to associate the West Germans with the 14-nation North Atlantic Treaty Organization. Dulles then took off for Washington.

NATO headquarters in Paris promptly announced foreign ministers of the member countries would meet about Oct. 15 to take up the problem. The exact date and place of the talks have not yet been agreed on, but Paris has been frequently mentioned as the most likely spot.

Erickson, Daniels Are New Illinois Plowing Champions

OLNEY, Ill. (AP)—Robert C. Erickson, 30, of Minooka and John C. Daniels, 32, of Moberly Grove are the new plowing champions of Illinois.

Erickson, who farms 312 acres in Kendall County, won the level land judging here Friday in a feature of the national and state plowing matches.

Daniels operates a 556-acre farm in Fayette County. He bested 11 other contestants in the contour division.

Runner-up in the level land contest was Bob Alexander, 25, of Donnellson. Verus R. Wright, 40, of Bridgeport finished second in the contour event.

Trophies and cash awards were presented at ceremonies which preceded a plowman's parade and banquet highlighted by the naming of Miss Marilyn Kopplin of Altamont as 1954 Illinois queen of the furrow. The 18-year-old beauty was elected from among 14 contestants.

An estimated 50,000 persons swarmed over the 2,200-acre match site Friday while a hot September sun pushed the temperature into the 90s.

Erickson and Daniels will join 21 other state champions competing Saturday for national level and contour plow titles. Graeme Stewart of Plainfield, Ill., the 1952-53 level land champion, is ineligible and a new champion is therefore assured.

REDS, NATIONALISTS TO STEP UP FIGHT

TAIPEH, Formosa (Saturday) (AP)—Both the Nationalists and Chinese Reds announced Friday intentions to step up their hostilities.

Even as Nationalist bombers subjected the Reds' Amoy fortifications to the 16th straight day of attacks, Chiang Kai-shek's Defense Ministry announced that action against the Reds would be "continued and expanded."

Peiping radio said a directive has been issued to the Communist armed forces in East China to strengthen sea, air and land arms and "speed up training" for an assault on Formosa.

PUBLISHER OF "THE HORSE" DIES

ROME (AP)—Count Alessandro Biondo, internationally known horseman and publisher of the magazine, "The Horse," died Friday after a long illness. He was 61.

KIDS HAVE HANGOVER—Icebags and antidotes brought tears to 2-year-old Wayne Clark and a bored expression from his sister Stella, 3, after they drank 6 ounces of their Daddy's alcoholic shaving lotion at their Indianapolis, Ind., home.

RED NAVY IS CATCHING UP

In all our calculations of American military might, we properly put first emphasis upon our acknowledged lead in nuclear weapons. But ever since World War II we have also taken it pretty much for granted that in any future war the United States would surely have control of the seas.

No one has been blind to the tremendous growth of Russia's submarine fleet, but it has been just as plain that our total naval forces were vastly superior to Moscow's.

Therefore, it comes as a definite shock to hear from no less a source than our own Navy that the Soviet Union may supplant this country as the top naval power by 1964 if its present pace of naval expansion—relative to our development—continues.

Looking at the huge land armies Russia can muster, we have comforted ourselves with the thought that whatever edge the Soviets had there we could take off by our clear advantage on the seas and in the air.

As we have seen in other recent reports, our margin of air superiority may be dwindling. To learn that our naval edge is also diminishing is not easy to take.

Ten years ago Russia's fleet ranked seventh in the world. Today it stands second. The Russian navy already exceeds America's in manpower. And Moscow is bent on passing us in number of vessels as well.

The Soviet sub fleet of some 350, about 40 per cent of which are long-range types, is nothing terribly new to us. But read these figures released by our own Navy.

In cruisers, Russia has 13 large, light ships matching the best we have. This total is greater than that we have presently active.

The Soviets have 125 destroyers against our 175, but more than 50 of Russia's are fast, well-armed craft built since World War II. We have done little in that span, and Moscow has a larger building program for destroyers than all Western navies combined.

Where we still retain a decisive superiority is in aircraft carriers. So far as is known, Russia has none at this time, though it has a number of shipyards capable of building them, as well as the largest battleships.

Russia does have, however, some 3500 land-based planes in its fleet air arm, including many jet fighters and light jet bombers.

The U. S. Navy noted that Russia's fleet has four main divisions, with the largest in the Baltic Sea. A newly developed canal and river system makes it possible to shift many smaller naval craft from one operating theater to another under ideal protection.

Our strategists believe that Russia, the great "land" force, is definitely bent on creating a great deep-sea navy to outstrip any in the world.

To those complacent ones who think we can never be headed on the sea or in the air, to those misguided ones who think Russia is devoted to peace and has abandoned plans for world conquest, we recommend a second reading of these estimates. They are not comforting.

The World Today

By JAMES MARLOW

WASHINGTON (AP)—President Eisenhower hasn't been in politics as long as Sen. McCarthy but so far he has been a better political prophet.

Late in 1953 Eisenhower expressed hope Communists-in-government would not be an issue in this year's congressional elections. Nov. 2. He said he thought his administration would have weeded out by then any in the government.

Shortly afterward, on Nov. 24, 1953, McCarthy contradicted the President with a forecast of his own.

"The raw, harsh, unpleasant fact is that communism is an issue and will be an issue in 1954."

He was wrong. Communists-in-government may be fought over in some local campaigns but is not a national issue raised by either party yet.

McCarthy went further last November and made himself an issue in the 1954 elections by saying:

"If the American people agree with (former President) Truman that what he calls McCarthyism is bad, that it is wrong to dig out and expose traitors, they have a chance to get rid of me as chairman of the investigating committee by defeating any Republicans up for reelection."

He apparently exaggerated his own political importance. He is not a national campaign issue. Candidates generally are not rising or falling on how they stand on him.

Instead of being an issue, he's in a box, put there by his own Republicans. They've boxed him in far more completely than the Democrats were ever able to.

The result has been to keep him out of the campaign although there is nothing to show that was the intention.

At the time of his November statements McCarthy was at the peak of his power, free-wheeling, investigating, criticizing Democrats and Republicans alike.

Suddenly the administration turned on him, through the Army with charges against him and his staff.

For months afterward McCarthy had to devote his full attention to defending himself and counter charging in the McCarthy-Army hearings.

Since they were due to end early in the summer, there seemed plenty of clear time ahead for him to get into the campaign.

But even before they ended another Republican teed off on him. Sen. Flanders of Vermont declared McCarthy should be censured for his conduct, which Flanders said tended to bring the Senate into disrepute.

After two other senators joined forces with Flanders—Morse (Ind.-Ore.) and Fulbright (D-Ark.) the Republican-run Senate decided on an investigation.

Once more McCarthy was tied down. First he had to prepare for the hearings by a special committee. Then he had to defend himself at the hearings.

Now that the hearings are over he seems to be preparing to defend himself in the full Senate if it returns to vote on censure.

If the Senate does return but doesn't censure him, McCarthy will have time, although not too much, to get into the campaign before Nov. 2. He said Thursday night his intention now is to make only three speeches. The rest of his time, he said, he will spend on investigations. In any speeches he makes, he could try to carry out his 1953 prophecy by talking about Communists-in-government.

He could hardly talk about it as something present over the past two years without hurting his own Republican party.

The Republicans have been in office almost two years and claim pretty good success in getting security risks off the government payroll.

If McCarthy talked about Communists-in-government before 1953, he'd be relishing 1952 campaign talk unless there are some startling new disclosures.

The Republican party would have to decide whether he has an asset of a liability if the Senate censured him and he still wanted to campaign.

There is a possibility the Senate won't return until after Nov. 2 to consider censure charges against him. In that case he could do some more campaigning.

Unpleasant Taste in Mouth Can Sometimes Be Traced to Smoking or Irritating Foods

BY EDWIN P. JORDAN, M.D.
Written for NEA Service

The mouth and tongue ordinarily do not give us much trouble but when they do the symptoms can be exceedingly annoying.

Q For some time I have had a sort of metallic taste in my mouth. My dentist suggested that I needed the dentures changed since I have had them for 19 years but other causes have also been suggested. What do you think? Mrs. A. J. S.

A—It certainly sounds possible that the dentures are causing trouble and giving rise to the unpleasant sensations in the mouth. One possibility is that there are dissimilar metals in the dentures or remaining teeth if any. Other possible irritating factors such as smoking, irritating foods or drinks, or changes in the nervous system involving the sensations of taste or smell are additional possibilities. In view of the history, however, one would expect that the dentures or teeth would be the place to start.

Q Please advise me what to do for my scalp. My hair on top of the head is gradually falling out in spots. I am only 23 years old. R. A.

A—This is probably a condition known as alopecia areata or baldness in spots. Its cause is not known but skin treatments are indicated. The hair usually grows back after a period of months.

Q Can a person suffering from hives donate blood? I was refused for this purpose recently. D. F.

A—It would not seem wise from the standpoint of the person with hives, though I am not aware of any reports of specific damage either to the donor or to the blood pool.

Q Does the removal of one ovary and tube affect the monthly cycle unfavorably? Reader

A—It will have no effect providing the remaining ovary is functioning normally.

Q X-rays have revealed a cavity on the lungs. The doctor claims it is tuberculosis although all previous tests have been negative. The doctor now advises surgery and I wonder whether operations of this kind have proved successful.

A—Surgery on the chest of various kinds in certain varieties of tuberculosis of the lungs has proved successful on innumerable occasions. Presumably this advice is given by physicians who are fully competent to render an opinion in which case this opinion should be followed.

Q Does the taking of a soap and water enema weekly have any effect on the body? Is this safer than pills? J. M.

A—In my opinion neither one of these is advisable and either can disturb the delicate functioning of the intestines and cause such disorders as spastic colon.

Q My husband has a sore ingrown toenail. Is there anything which can be done for it? Mrs. A. B.

A—I think he should see a good chiropodist.

Manners Make Friends

It's poor telephone manners ever to hang up without saying good-bye. And it isn't considered charming to bang the receiver when you hang up. Always remember that when you finish a telephone conversation you are actually taking leave of another person.

Make your good-bye sound gracious and the hanging up of the receiver merely a gentle click.

In Hollywood

By BOB THOMAS

HOLLYWOOD (AP)—How to conquer adversity in one quick lesson.

The conqueror is Harry Belafonte, the sensational young singer. He saved his career in one evening.

It happened a couple of years ago in Las Vegas. Harry had made a small hit in a couple of chic night spots in New York with his singing of folk songs. Very high brow stuff. So some smart character booked him into Vegas, not realizing the difference between the smart Manhattan audiences and the pleasure seekers of the Nevada spas.

"I played the first show of the evening, and it was horrible," recalled Harry. "I don't mean they just didn't like my act; they were abusive. The orchestra members started snickering among themselves. The 'dese and dems' guys started to get threatening. I'm sure that if stoning had not been punishable by law, I would have gotten it from the audience."

"I got mad. I didn't mind if they didn't like my act. That was their privilege. But I thought it was wrong for them to be hurling such abuse at me."

"I decided to salvage what I could. I had opened the show with a couple of old English folk songs. Naturally they fell flat. So I told my accompanist, Millard Thomas, to bring out some of the arrangements we have been saving."

"We juggled the act completely. The reaction was entirely different from the first song. The audience was enthusiastic, and we were the talk of the Las Vegas strip."

From then on, Harry was in. He played one of the leading roles in MGM's "Bright Road." He starred on Broadway in "John Murray Anderson's Almanac" and came back to Hollywood to play the lead in "Carmen Jones." He is embarking on a night club tour, having just closed at the Coconut Grove here.

Sizzling Turkey Sandwiches Are Sunday Supper Treat

BY GAYNOR MADDOX

NEA Food and Markets Editor

If you have roast turkey for Sunday dinner, you also have the makings of a delightful Sunday supper party dish. Our talented friend, Helen Goodrich of Los Angeles, served it to us recently. You'll like it.

Sizzling Turkey Sandwiches (Serves 4)

Four cups creamed turkey (with tips of green pepper and celery for crisp toast. 4 tomatoes, medium size; Easy Cheese Sauce or grated Cheddar cheese.

Prepare creamed turkey. Put roasted muffins or crisp toast on heat-proof serving dishes. Cover with hot creamed turkey. Top with peeled tomatoes, and cover all with Easy Cheese Sauce or grated cheese. Brown lightly under broiler and serve at once.

Easy Cheese Sauce (Enough for 4 servings)

One half pound processed Amer-

ican cheese, 1/3 cup milk, fresh or evaporated.

Melt cheese in double boiler. When melted, stir in milk.

Here is a vegetable recipe for Sunday dinner:

Stuffed Baked Potatoes (Makes 6 servings)

Cut small slices from ends of 6 medium potatoes. With an apple cover, cut hole through center of each potato. Fill the holes with grated carrots which have been seasoned with finely cut green onion, salt and pepper and a little melted butter or margarine. Plug size: Easy Cheese Sauce or grated Cheddar cheese.

Prepare creamed turkey. Put roasted muffins or crisp toast on heat-proof serving dishes. Cover with hot creamed turkey. Top with peeled tomatoes, and cover all with Easy Cheese Sauce or grated cheese. Brown lightly under broiler and serve at once.

SUNDAY DINNER: Melon, cup roast turkey, giblet gravy, raw cranberry and orange relish, stuffed baked potatoes, baby peas and white onions, Parker House rolls butter or margarine, peach ice cream, cookies, coffee, tea, milk.

Boyle's Column

NEW YORK (AP)—It could be that the various "Miss Something" con-

tests are going to make some changes in the outlook of that fair creature, the American Woman.

They certainly prove that if a girl wants the extras in life, beauty alone isn't enough.

Object example. The new "Miss America," Miss Lee Ann Meri-

wether is a very fetching lass, indeed. But without her other talents and qualifications, she would have been just another pretty girl up there on the stage at Atlantic City.

She played, solo, a tricky scene from the play, "Riders to the Sea," and then delivered some thought anything would come of sensible remarks, with poise and it."

simplicity, to an audience big enough to scare the loafers off the average teen-ager.

An equally striking example is the present "Miss America," She is Mrs. Madison Jennings, of St. Louis. She is 28, tall, willow-blond and beautiful.

But there were any number of better looking girls in the finals home," she says.

of the contest," she says. "I wouldn't have stood a chance on that basis."

That's getting a little ahead of the story, however.

Until a few months ago, Mrs. Jennings was a housewife, just like you, ma'am. Her husband is a chemist. They have an 8-year old son. She cooked and cleaned and washed and ironed and per-

formed all the usual housepun chores.

Incidentally, she says her housework takes an average of two or three hours a day, and she thinks that should be par for the course in any well-managed home. (I'm only reporting what she said, ma'am, just the facts, ma'am.)

Anyway, she wanted something more—travel, for instance.

So she entered the contest. "I was so excited by the idea that I phoned my husband and told him what I wanted to do. He just laughed and said it was all right from the play. 'Riders to the Sea,' and then delivered some thought anything would come of sensible remarks, with poise and it."

Last May, at Ellinor Village, Fla., she defeated 50 other finalists for the title.

The contest also led her to something else she wanted, a part-time job doing television commercials. "I think every housewife should have an interest, some form of occupation, outside her better looking girls in the finals

Former Red MIG Pilot Enrolls At U. Of Delaware

By VERN HAUGLAND
NEWARK, Del. (AP) — Kenny No. 1, the former Communist pilot who flew a MIG jet fighter from behind Korea's Bamboo Curtain a year ago—and collected a \$100,000 reward—enrolled this week as a freshman at the University of Delaware.

From Gen. Mark Clark, the man responsible for the award, came hearty congratulations.

"He's doing the right thing," Gen. Clark told the Associated Press by telephone from Charleston, S.C., where he heads the military school, The Citadel.

The world's most unusual college freshman lined up with 575 other beginners at registration desks Wednesday.

He donned the blue-and-gold Class-of-'58 "pinkie," the cap which freshmen traditionally have been required to wear. He moved into one of the ivy clad red brick "trosh" dormitories. As a freshman, he may not own or drive an automobile. He'll learn about other underclassmen's limitations as he goes along.

At his dormitory the huskily built, broad-faced 22-year-old Korean was found in typically collegiate slacks and sport shirt. He was polite, agreeable—and reticent. No pictures, no story, no comment.

"I wish very much to be considered as any other student," No. 1 said. "I don't like for people to read about me and see my face in the newspapers. So I would rather not talk if you are a writer."

Interpreting The News

By J. M. ROBERTS JR.
Associated Press News Analyst
A great to-do is being made over the fact that Secretary Dulles went abroad to discuss matters vital to Europe's future without including Paris among his ports of call.

Whether or not the strategy is a good one remains to be seen. The object is clear.

France, since knocking out the European Defense Community plan which she herself devised three years ago as a control over

German rearmament, has left the initiative of what now must be done entirely up to others.

It was naturally expected that, having rejected EDC and knowing that Germany was bound to be rearmament by hook or crook, she would come up with new proposals, if only to protect her own position.

But Premier Mendes-France apparently felt that his proposals for revisions of EDC at the Brussels Conference, before the French Assembly voted, should make France's position clear enough.

He had found himself facing unanimous opposition by the other proposed members at that conference, and after the vote France found herself under the severest criticism from even her best friends. She sat back to see if they would not propose something to which she could agree.

Anthony Eden of Great Britain has made a proposal for including Germany in the 1948 Brussels treaty which has never meant much, but which does contain an automatic commitment from Britain to come to the aid of any attacked member. That does something to assuage French fears that in EDC, she would have been committed to something that a resurgent Germany could control.

But fragmentary reports after Eden visited Paris indicated France's continued reluctance to do anything at all about rearming Germany, although Mendes-France is required under the post-EDC Assembly situation to submit new proposals when that body reconvenes, Nov. 3.

In this connection, Dulles has gone to Europe suddenly to see if it is possible to obtain anything better than the Eden plan, to see just what Germany is willing to promise in the way of submitting to restrictions on her rearmament, and to convince France that, since something is going to be done, she'd better get in on it.

For this purpose, he has chosen to leave France out on the limb where she put herself until she perceives that she must work her way back.

Feminists Furious As Indonesia Head Takes Second Wife
JAKARTA, Indonesia (AP)—Indonesian President Soekarno, a good Moslem whose religion allows him four wives, has taken his second. Wife No. 1 and the young republic's feminists are furious.

Sources at the presidential palace said the 54-year-old president, a pioneer leader of the Indonesian revolution, had married a Mrs. Hartini, a divorcee and mother of five children, in a Moslem ceremony last June.

Mrs. Kartowijoni, chairman of the women's organization Perwari, said Soekarno's beautiful 29-year-old first wife, Fatmawati, had not agreed to her husband's second marriage and is ready to seek a divorce. Fatmawati and the president have four children.

Mrs. Kartowijoni, whose organization has been campaigning against polygamy among Indonesians' 78 million people, said Soekarno's example "pierces the hearts of women's organization members striving for justice for married women."

The feminist leader summoned women's clubs to a protest meeting.

Plan Reception At Alexander For Pastor And Wife
Rev. and Mrs. J. A. Tucker will be honored at a reception to be given at 7 o'clock Sunday evening (CST) at the Alexander Methodist church. All residents of the Alexander community are invited to attend.

Rev. Tucker was transferred by the Illinois Methodist Conference last June to the pastorate of Brooklyn church in Jacksonville and the Alexander church.

Judges Named For Moose Lodge Youth Contest

The Jacksonville Moose Lodge announced Friday a committee of citizens who will serve as local judges in the International Moose Youth Honor Day Safety contest for boys and girls between six and 18 years old.

The judges will include Mayor Ernest L. Hoagland; Wallace G. Baptist, Baptist Radio and Television Service; Rev. Father Terrence Tracey, assistant pastor of the Church of Our Saviour; H. A. Hammitt of J. Capps & Sons; Rev. John W. Collins, pastor of Centenary Methodist church; Rev. Rodenbeck, pastor of the Lutheran church at Mercedosa; Tom Walker, district Boy Scout executive; Ernest Proffitt, governor of Jacksonville Moose Lodge 865; Chester Burks, chairman of civic affairs of the Moose Lodge, and B. B. Ridgeway of the Journal Courier.

Entries are already starting to come in to the local Moose Lodge and the committee will meet weekly from now until the close of the contest, Oct. 1, 1954, to determine which boy or girl from this vicinity will be awarded the parchment-like scroll signed by Paul P. Schmitz, director general of Moose, and Don McNeil of the American Broadcasting Company's "Breakfast Club" radio and television show, and wrist watch to be presented by the local lodge.

The local winners from the more than 1,700 communities where Moose lodges are maintained in the United States, Canada and Alaska, will compete for four international awards which will include all-expense vacation trips to New York or Chicago for personal appearances or, the coast-to-coast Breakfast Club simulcast, gold wrist watches and proposed trips to Washington, D. C. for a visit to the White House.

Any performance in behalf of safety, especially as it applies to the safety of children, may be submitted, either by the boy or girl who performed this safety service, by their parents, teachers or city officials. The specific safety service might be some act of heroism, an outstanding record in the school safety patrol, the writing of a safety thesis, the designing of a safety poster, or similar work.

Sr. Regent Tells Moose Women Of The Child City
The chapter development chairmen of the Women of the Moose met at the Moose Hall on South Sandy street with the senior regent, Hollis Proffitt, conducting the meeting.

Mrs. Proffitt had just returned from the Chicago convention in which she included a trip to the child city, Moonheart. Mrs. Proffitt told the group about Moonheart and the many advantages for its residents.

There were 14 chairmen present. At the close of the meeting refreshments were served by the social chairman, Clara Tribble, and her committee. The next meeting of the chapter development chairmen will be Oct. 14.

Last Tuesday, Sept. 14, 16 members of the Women of the Moose gathered at the Lodge Hall for a social meeting enjoying luncheon. Prizes were awarded, Louise Scott, first; Mary Chaudoin, second; Bernice Heimlich, third; Annabella Wild, low; Rose Waters, floating. Mrs. Heimlich was social chairman, in charge. The next regular meeting will be Sept. 21 and will be a social meeting.

Robbers Get \$165 Cash, \$5,000 Gems
CHICAGO (AP)—Two masked men forced their way into a second floor apartment Thursday night and robbed Mr. and Mrs. Paul Neumer of \$165 cash, jewelry valued at \$5,000, and two small revolvers.

Neumer told police the men forced their way in after his wife Gladys answered the doorbell and was told, "If you holler, you'll get killed."

The robbers trussed up both victims using Mrs. Neumer's stockings, Neumer said.

GATOR WRESTLES GOVERNOR — WINS

LOUISVILLE, Ky. (AP)—Downright disrespectful alligator taught Gov. Lawrence Wetherby a lesson: It's easier to wrestle with politics than reptiles.

The governor was attending the Kentucky State Fair yesterday when he was invited to go one round with the 20-year-old, 8-foot, 175-pound critter, a feature of the water show.

After noting that the reptile's mouth was tied, Wetherby grabbed it under the chin and twisted. The alligator did a somersault, landed on its belly and began lashing out with its long tail. Forsaking dignity, the governor jumped.

He decided he'd rather drive an ostrich. He did that last year at the fair.

Says Threats By Labor Leader Made Contractor Leave
QUINCY, Ill. (AP)—A Federal Court jury was told Thursday that threats by labor leader Jack Green resulted in a contractor's withdrawal from the Chain of Rocks Canal project in Madison County, Ill.

Green, of Granite City, is being tried on charges that he violated anti-racketeering statutes by pressuring contractors to hire unneeded laborers. He is business agent for Local 397, AFL Common Laborers Union.

Arthur W. Terry, Baldwin, Mo., contractor, testified that he removed his dirt moving machines from the canal job in April 1953 after Green warned him to hire a laborer for each machine. Terry said Green threatened to run him out of business.

The contractor testified that he had told a telephone caller identifying himself as Green he had no use for laborers on this particular job. The caller, Terry added, told him to let the laborers "carry water for the operators" of the machines.

Terry said the threat to run him out of business was made later when Green and a mob he estimated at 1,500 showed up at the job site to stop work of the dirt moving machines.

ALLERGY TO HUSBAND
SEATTLE (AP)—Mrs. Zelma H. Ashley got a divorce Thursday because she was allergic to her husband.

She told Superior Judge Malcolm Douglas that her face broke out "all over" in a rash because of the way her husband, Lonnie, treated her.

WHY? WHY? WHY?

It is such a little word, yet she uses it so often . . . particularly when she is alone, and thinking to herself. For it seems, then, as if there are so many questions and so few answers.

She tells herself that she isn't unhappy. She is young and attractive, has a family and friends, and enough material things to satisfy her wants. Yet there is something lacking, something that makes her restless when she should be at peace, enjoying the bounty of some of the best years of her life. Why, she asks herself. Why?

The answer is a simple one. There is something lacking in her life . . . there is a void. She hasn't found the basic faith that can answer her questions. She needs the spiritual background that the Church alone can give her. And until she finds this—she will still be asking, "Why?"

Do you ask yourself "Why?" too?

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Jerseyville Boys Caught Robbing A&P Shipments

JERSEYVILLE, Ill. — Night police here apprehended two local youths 15 and 16 years of age robbing a shipment of bakery products that had been deposited about midnight at the receiving dock of the A & P store.

Following questioning by Chief of Police Edward Henson, the two youths implicated another eight of the teen age group in former thefts from A & P bakery shipments.

The group will be given a hearing Monday of next week in the County Court.

What telephone companies serve
two-thirds of the entire
area of the U.S.?

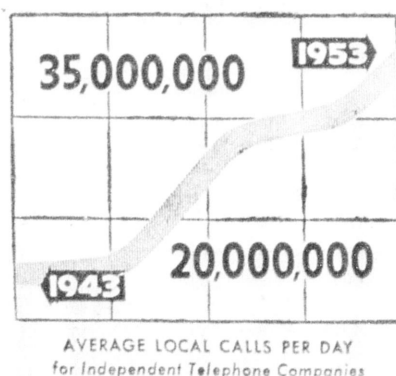

ANSWER: The Independent group
of 5,100 telephone companies

Yes, it's a fact! The nine million telephones of America's Independents speak for two-thirds of the nation! In large cities and small communities, their growing lines link homes, offices, factories and farmhouses. Their friendly, dependable service provides security and comfort in time of need. Their connecting long distance lines extend the nationwide system to all parts of our country—however remote.

Independent Telephone Companies comprise a 1½ billion dollar industry that has doubled in size in the last 10 years. They are still gaining—in service, in strength, and in importance.

4
TIMELY REASONS WHY

You'll
always
be glad you bought
a Chevrolet now!

1 You'll stay proud of Chevrolet's lasting good looks

Other low-priced cars just don't have the quality look you see in Chevrolet. And if you like Chevrolet's looks now, you'll like its looks always. For there's fine design in those clean and smoothly curved lines (nothing "boxy" about Chevrolet!). And fine design like this never really goes out of style.

2 You'll enjoy exclusive features for finer motoring

Chevrolet's the only low-priced car with Body by Fisher. It has the highest-compression power of any leading low-priced car, for more fun in the going and more miles out of the fuel. Chevrolet puts your safety first with the biggest brakes and the only full-length box-girder frame in the low-price field. It's the only car in its field with that smoother, softer Unitized Knee-Action ride.

3 You save when you buy and when you trade

Chevrolet is priced below all other lines of cars. (That's possible because Chevrolet builds the most). And at trade-in time, you'll be ahead again from Chevrolet's traditionally higher resale value!

4 You'll get a special deal right now

Right now, we're in a position to give you the deal of the year on a new Chevrolet. Come in and let us show you how much you'll gain by buying now!

Now's the time to buy!
Get our big deal! Enjoy a new...

Olive Burnett Tells Class Of European Trip

WAVERLY — Mrs. Sam Gordon opened the meeting at the Mizpah class social, held in the social rooms of the Methodist church, by all joining in the song, "In the Garden," followed by the devotions from the Upper Room and prayer, by Mrs. Frank Rickard. Miss Olive Burnett told of her European tour this summer, when a specially conducted party toured eight countries including Great Britain and the continent. She had souvenirs from each country. Mrs. Gordon, president, was in charge of the business meeting. After the minutes and the treasurer report of the nominating committee was given by Mrs. Ruth Burnett, in the absence of Mrs. Paul Allen. The following were elected by unanimous vote: president, Mrs. Sam Gordon; vice president, Mrs. N. H. Turner; secretary, Miss Ruth Walters; assistant secretary, Mrs. Rueben Mitchell; treasurer, Miss Eunice VanWinkle; teacher, Mrs. E. H. Wiese and as-

stant, Miss Lucille Hageman. Mrs. Cliff Harris, Miss Stella Mitchell and Mrs. Hattie Bostic were appointed to plan for a bake sale in October if possible. Refreshments of ice cream, wafers and iced tea were served by the hostesses, Mrs. Frank Rickard and Mrs. Charles Duneth, assisted by Mrs. Everett Turner, Mrs. Roy Brown and Mrs. Allen Woods to 24 members and visitors. Miss Kay Ford left Tuesday by car, being taken by her mother, Mrs. Walter Ford and sister, Mrs. Kay Ford, and Miss Barbara Robertson to Des Moines, Iowa, where she will enter Drake University for her sophomore year. The others returned Wednesday. Mrs. William H. Neece entered Passavant hospital, Jacksonville, on Monday to undergo surgery Wednesday. Dr. and Mrs. Ralph M. Evans of Evanston visited his cousin, Mrs. Sterling Campbell from Monday to Wednesday. From here they went to Missouri to visit his sister.

Mary Hoots Is Airman's Bride In Cass County

Miss Mary Hoots, daughter of Mr. and Mrs. Marvin Hoots, 747 West Walnut street became the bride of Airman 3 c Enrique Leon Blaeuer, son of Mrs. Ervin Blaeuer of Waverly on Sept. 7 at the St. John's Lutheran church in Beardstown. The double ring ceremony was performed by the Reverend Howard Tepker.

NEWLYWEDS

Attending the couple were Mr. and Mrs. Victor Schwab of Beardstown, aunt and uncle of the bridegroom. The bride wore a street length

dress of blue taffeta and a corsage of white baby mums and pink carnations.

Mrs. Schwab wore maroon with black accessories. A reception was held at the Schwab home following the ceremony.

The bride is employed at the New Method Book Bindery in Jacksonville. The bridegroom is stationed at the Webb Air Force Base, Big Springs where Mrs. Blaeuer will join him in a few weeks.

WHITE HALL

WHITE HALL—David Rochester, small son of Mr. and Mrs. Paul Rochester was dismissed to his home from the local hospital following surgery.

Mr. and Mrs. Cecil Ralston are vacationing for ten days in Colorado. Mrs. Charles Tatman is taking care of their store on King street during their absence.

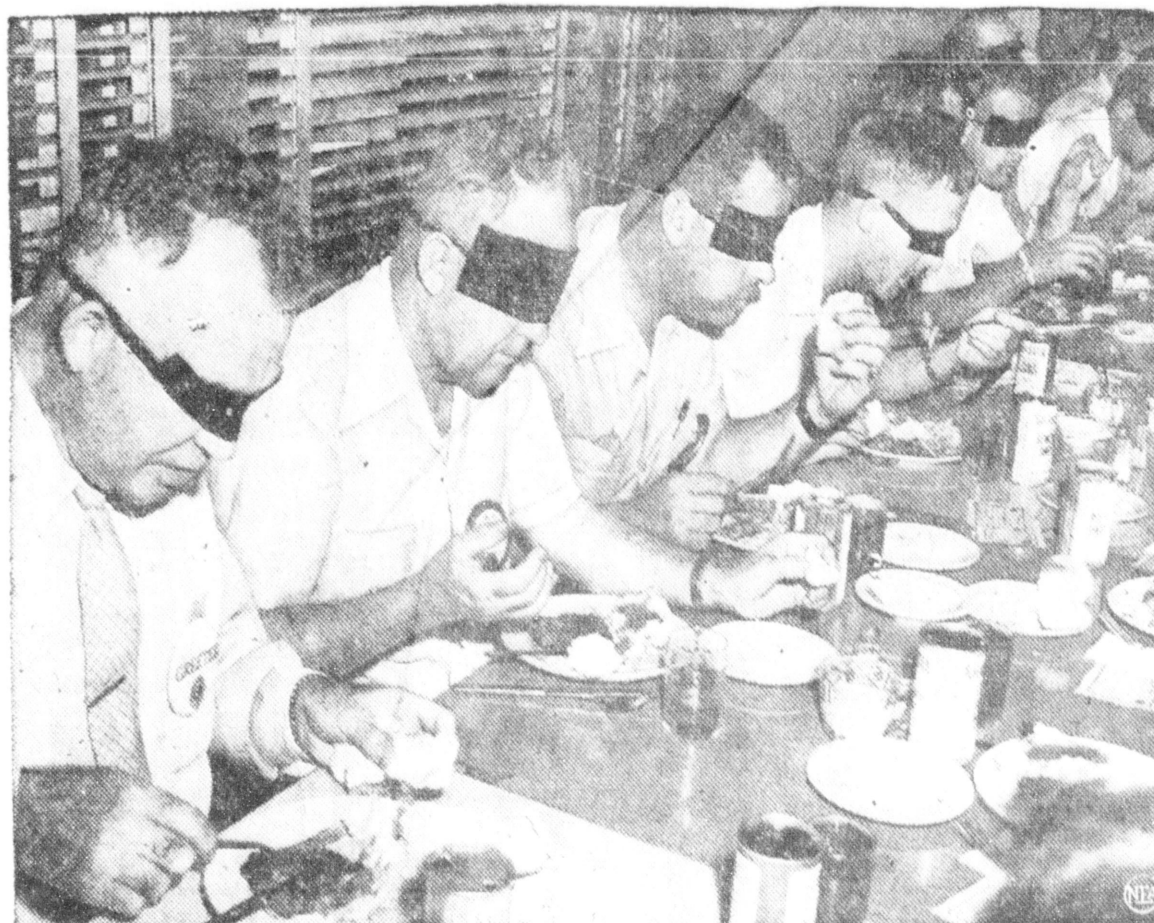

Mr. and Mrs. Howard Pilkington left Tuesday morning for a visit with their daughter, Mrs. Leland D. Johnston and family at Wyandotte, Mich.

Mrs. Bob Garrison, the former Phyllis Frye, registered nurse from the Alton Memorial hospital left Tuesday for Chicago to begin a six months course in the Lying In hospital on obstetrics. She won a scholarship recently entitling her to this course which will enable her to become a teacher and supervisor of an obstetrical Dept. at the conclusion. She has been serving as assistant supervisor of that department in the Alton hospital. Her small daughter Robyn will be with her parents, Mr. and Mrs. A. R. Frye here.

Boy Steals Suit; Gets 90 Days In Jerseyville Court

JERSEYVILLE — An information charging larceny was filed in the County Court here Monday by State's Attorney Claude Davis against Earl Bryant, 17, of Quincy.

The charge against Bryant was filed as the result of a burglary complaint issued by Justice Clinton Cope of Grafton upon the affidavit of Rudolph Durden an employee of the Nugent and Schpansky Orchard in Quarry Township. Durden charged that Bryant stole a suit of clothes from the room of the complaining witness on September 9th.

Bryant was arraigned Monday before Judge John Self and pleaded guilty to the charge as named in the information. The case was continued to Tuesday for sentencing.

Tuesday morning Judge Self sentenced Bryant to serve 90 days at the Illinois State Farm at Joliet.

Women Of Legion Back Opposition To Girl Scouts

CHICAGO (P)—Directors of the Illinois American Legion's Women's auxiliary Thursday picked up a hot potato the legion has dropped — they demanded withdrawal of support from the Girl Scouts until "un-American influences" are eliminated from scout publications.

The directors voiced support of a state legion resolution which recommended that the legion withdraw support of the Girl Scouts until changes be made in the Girl Scout handbook and other publications.

Girl Scout officials have denied there ever were any subversive influences in the publications. They said the items the Illinois Legion objected to had already been changed in the 1954 handbooks "to clear up misunderstanding."

The question came up again during the current two-day meeting of the Illinois Legion's auxiliary's board of directors.

The directors heard a speech by Edgar Bundy of Wheaton, a member of the Legion's National Americanism Commission, in which he explained the resolution. He told them the resolution:

"Recommends withdrawal of all support of the Girl Scout movement until such time as responsible directors of the Girl Scouts give irrefutable proof to the American public that they have taken definite measures to eliminate stipulated un-American influences from their publications."

HOLD FINAL RITES FOR MRS. LINDBERGH

DETROIT (P)—Private funeral services were held at a small rural church Thursday for Mrs. Evangeline Lodge Land Lindbergh, 78, mother of Brig. Gen. Charles A. Lindbergh.

The services were conducted at Orchard Lake Community Church in Oakland County where Mrs. Lindbergh's grandfather once was pastor.

Attending were Gen. and Mrs. Lindbergh, the elder Mrs. Lindbergh's brother, Charles Land, and close friends of the family. Burial was in Pine Lake Cemetery.

Carrollton Grid Team Hears Talk By Former Coach

CARROLLTON—Raymond Floyd, athletic director in the Wood River High School and former coach in the Carrollton Community Unit High School, was the guest speaker Tuesday evening at the annual chili supper given by the members of the Junior Chamber of Commerce honoring the football team of the Carrollton Community Unit High School.

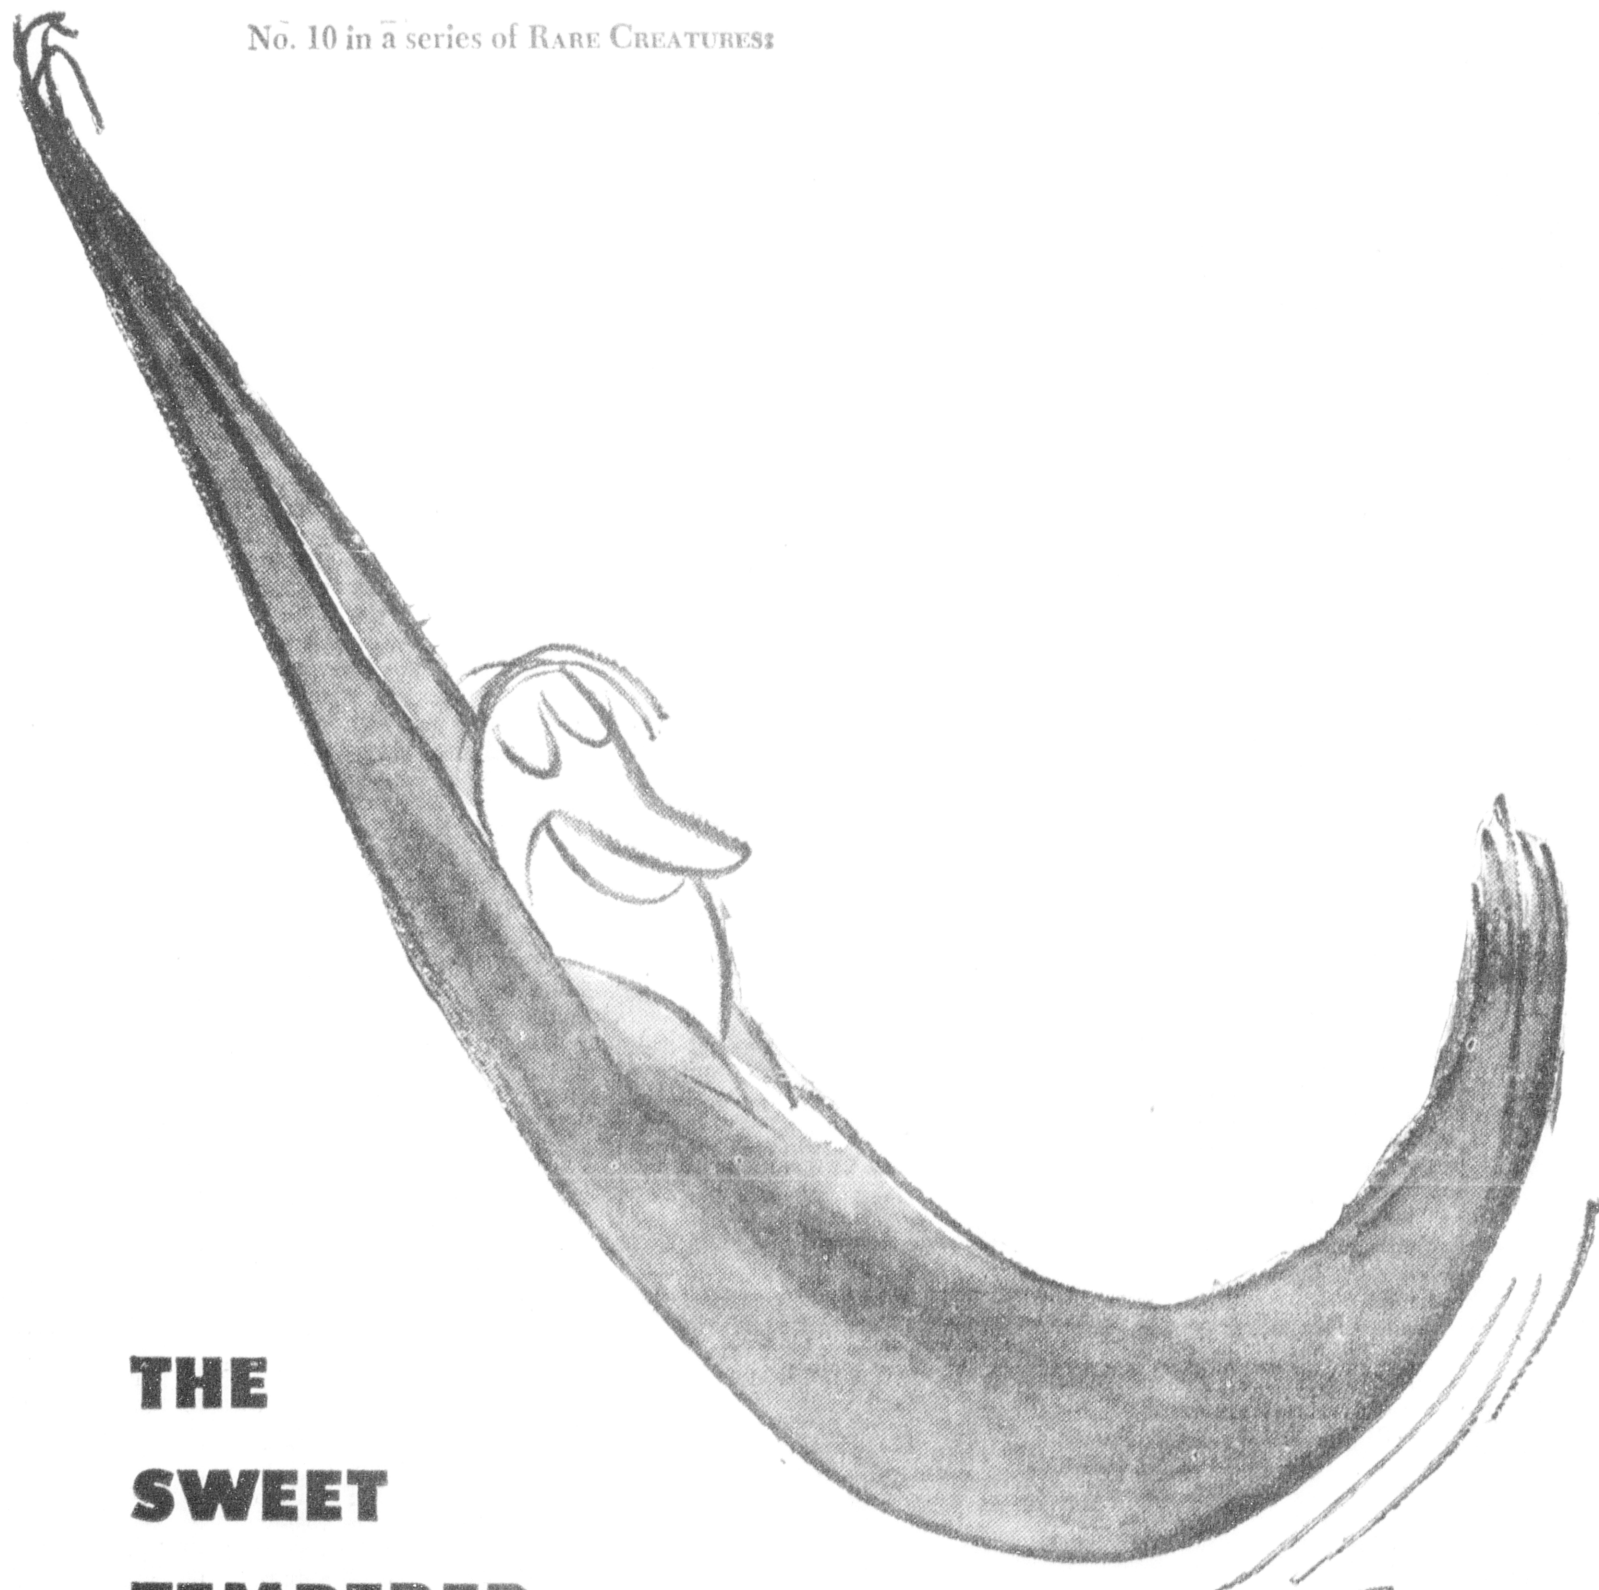

Floyd spoke concerning the splendid spirit of comradeship and the teamwork which has always been displayed by athletes of the local school. His address was heard by 50 members of the football squad as well as the male members of the Carrollton Community Unit high and grade school faculties. Attorney Jack McDonald, the president of the Carrollton Community Unit School board presided during the program and T. Carmody, Jr., the president of the Jaycees, was the program chairman.

The supper was served at 6:15 p.m. in the dining room of the Presbyterian church and as an inspiration to the 1954-1955 team displayed on the tables were two Illinois Valley Conference trophies which were won by the local high school teams in 1938 and 1939. Mason Holmes is the new coach of the team this year succeeding Coach O. K. Karr who is continuing his studies this year at the University of Illinois.

WHERE'S MISS MIZZOU? Readers of "Steve Canyon" which appears in the Jacksonville Journal Courier would swear the toothsome trenchcoated blond is up in the north woods with Milton Caniff's comic strip hero. But airmen at Nellis, Nev., Air Force Base know better. That's original "Miss Mizou" right there on the wing of that jet fighter plane. She's Bek Stiner, a chorus girl at The Sands Hotel in Las Vegas, who posed for the first Mizou drawings when Caniff introduced the character into the comic strip.

THE SWEET TEMPERED SWAY

believes that black is white and the earth is flat—if you insist on it

The SWAY is a retailer who believes everybody and everything without fear or favor.

If his employees take off for grandmothers' funerals on the day of an important ball game—he believes them.

And if all the salesmen who sold him stock said their companies were losing money on the deal—he would believe them.

After listening to sales talk, he believes one brand is as good as another, and gives them all equal display. And doesn't care what kind of advertising he gets because they all seem equally strong.

Fortunately the SWAY is a rare creature.

Most retailers know that customers do have strong

brand preferences, and that preferences quickly can change.

They are quick to take advantage of manufacturers' newspaper advertising—featuring the product in their own store displays...and including the brand in their own newspaper ads.

Since the retailer himself advertises in newspapers, he knows that the manufacturer who does the same is really in earnest, is sincerely after the market.

He knows that the best advertising is the kind that reaches his own customers, all of them.

And he likes the manufacturer who thinks the same.

All business is local...and so are all newspapers!

Sooners - Bears --- Television's Game Of The Week

BERKELEY, Calif. (AP)—The Oklahoma Sooners, one of the best and most colorful college football teams in the country, help touch off the 1954 season Saturday in a clash with the California Golden Bears.

It is television's "Game of the Week" and a nationwide audience of an estimated 50 million is expected to be watching the screens at the 2 p.m. PDT (3 p.m. CST) kickoff.

The contest, season opener for both teams, will attract a crowd of around 60,000 to California's Memorial Stadium.

The Sooners operate out of the intricate split T formation as coached by Bud Wilkinson. They represent the toughest opener California has faced since Coach Lynn (Pappy) Waldorf took over in 1947.

California employs the straight T formation but Waldorf's strategy also calls for splitting his line-men at times in a variation of the split T.

Oklahoma is the established favorite to outscore the bigger and heavier California squad. The Sooners rate way up in the national Associated Press poll with the Bears back in the second 10.

Two Homers Give Turley, Orioles 5-1 Win Over Sox

CHICAGO (AP)—Home runs by Bob Kennedy and Chuck Diering each with a man on base, gave Bob Turley and the Baltimore Orioles a 5-1 victory over the Chicago White Sox Friday night. Kennedy hit his homer off losing Jack Harshman in the first inning, and Diering connected off reliever Don Johnson in the ninth. Turley struck out seven men to raise his season total to 180.

Willie Troy Stops Carter

WASHINGTON (AP)—Willie Troy shattered Walter Carter's comeback dreams Friday night with a murderous two-fisted assault that stopped Carter at 1:24 of the sixth round of their nationally telecast fight.

Troy, a 22-year-old Negro from Washington, weighed 159. Carter a 30-year-old veteran from Brooklyn, was in at 161.

It was a real slam bang fight from the outset. Carter forced the fight all the way, pushing, shoving and battling through Troy's defenses. Time and again, in the second and third rounds, he seemed to have Troy in trouble, but Willie's iron chin saved him.

Troy took command in the fourth when he caught Carter, racing in on him, with a wicked left hook.

IT PAYS TO ADVERTISE

DETROIT (AP)—The Cleveland Indians clinched a tie for the American League pennant Friday night, whipping the Detroit Tigers 6-3 on Bobby Avila's grand slam homer in the seventh inning.

Avila's game-shattering home run, a 350-foot liner into the lower left field seats, gave the Indians their eighth straight victory in their inexorable drive to end the five-year rule of the New York Yankees.

Despite trouncing Philadelphia 10-3 Friday night, the Yankees slipped to the brink of elimination. One more Cleveland victory or a Yankee loss and it will be all over. Both teams are scheduled to play Saturday.

Bob Lemon, Cleveland's 33-year-old ace, pitched a six-hitter and recorded his 23rd victory against only six losses. He was breezing behind a 2-0 lead until a pair of errors, by leftfielder Al Smith and Avila, allowed the Tigers to tie the score with two unearned runs in the sixth.

Avila, the Indians' league-leading hitter, quickly untied it. After the Indians had filled the bases on an error, Lemon's single and a walk, Bobby rifled one of Ned Garver's pitches over the left field screen and the Indian bench went wild. It was Avila's 14th of the season, his first with the bases full.

Cleveland had taken a 2-0 lead in the first inning with Al Rosen knocking in the second run with a 380-foot homer into the lower right field seats. It was his 24th Larry Doby drove in the first run with a sacrifice fly to deep center.

Both New York and Cleveland have eight games to play with the Indians holding an eight-game lead. The Tribe plays an afternoon game Saturday in Detroit while the Yankees meet the A's under the lights at Philadelphia.

Two Young Gals Win Rounds In Golf Meet

By WILL GRIMSLEY

PITTSBURGH (AP)—Two California glamor girls, willowy Mickey Wright of LaJolla and blonde Barbara Romack of Sacramento launched a new youth movement in golf Friday when they crashed into the finals of the Women's National Amateur Championship without loss of a hole.

Miss Wright, 19, Stanford University sophomore, smothered defeat-finding champion Mary Lena Faulk of Thomsville, Ga., 5 and 4. Miss Romack, 21, crushed Mrs. Marjorie Lindsay McMillen of Decatur, Ill., five times Illinois champion, 7 and 6.

They were the most one-sided semifinal triumphs in the history of this 56-year-old event.

The Pacific Coast rivals, who have met twice before with Miss Romack the victor each time, will clash in the 36-hole title round Saturday at the Allegheny Country Club.

Most observers expected the two youngsters to succumb to pressure Friday against the tourney-seasoned Miss Faulk, 27, and Mrs. McMillen, 26. By a strange quirk, it was just the other way around.

Miss Romack, steady as steel

and chomping away on some chewing gum, was even par for the 12 holes, despite a double bogey six on the 11th. Miss Wright, chain-smoking but outwardly calm, was one over par for 14 holes.

Par for the 6,034-yard course is 36-37-73.

Both Miss Faulk and Mrs. McMillen, who had been the most consistent shooters of the week, saw their games go completely to pieces during the dreary, cloudy afternoon.

Miss Faulk hit into five traps, three-putted two greens and over-drove two other greens—once hitting her ball against a fence and another time getting in thick rough and failing to come out.

Mrs. McMillen, even wilder, was hooking with both her woods and irons. The Illinois star hit into seven traps and three-putted three greens.

Miss Romack defeated Miss Wright 4 and 3 en route to the California State Championship last year. She beat the LaJolla girl by the same margin when both were juniors in 1950.

Miss Wright, however, probably will be favored Saturday. She is rated the most promising com-

Marciano Keeps Title, KO's Charles In 8th

By JACK HAND

NEW YORK (AP)—Blood-spattered Rocky Marciano, warned three times for punching after the bell, felled Ezzard Charles three times in a savage attack and knocked out the ex-champion in 2:36 of the eighth round Friday night in the fourth defense of his prized world heavyweight title.

With blood flowing from a gashed nose and right eye, the unbeaten titleholder swarmed to the kill with a barrage of punches that ended Charles' fond dreams of becoming the first former champ to win back the championship.

Down for a two-count in the second round, Charles fought back gamely under heavy fire until he was sunk for keeps in the fierce eighth.

A thunderous right hand punch to the jaw midway in the eighth sent the Cincinnati Negro sprawling on his side under the ropes. He bounced up quickly at the count of two but was badly hurt.

Determined not to let Charles escape again, the swarthy Brockton, Mass. slugger loosed a barrage of punches with both hands.

Charles sank to his knees under a left-right-left attack and it seemed certain he would never get up.

Blinking while Referee Al Berli tolled the count, Charles made a

Astoria Whips White Hall 13-0

WHITE HALL.—(Special)—Astoria scored touchdowns in the third and fourth periods to defeat White Hall 13-0 in the opening grid game at the Greene County school.

Astoria scored in the third quarter when Brady plunged off guard from the half-yard line. The try for extra point was no good.

The second T.D. came in the fourth period on a quick pass to Hoopes from the four yard marker. This time Grove's kick was good and Astoria had a 13-0 lead.

Although the White Hall line averaged close to 180 pounds the boys couldn't get going against the smaller Astoria forward wall. The passing attack of the visitors was more than the Maroons could cope with.

SPRINGFIELD.—(Special)—The Carrollton Hawks traveled to Springfield last night and defeated the host St. James team 19-6.

Carrollton jumped off to a 7-0 lead in the first period when Turpin went over from the one yard line. The second T.D. for the winners came in the second period when Durr went off tackle into pay dirt.

Both teams scored in the final period. The Hawks went over when Turpin scored his second touchdown on a pitchout. St. James came back to score its only T.D. on a 75-yard run by Bremer.

Pirates Lambast Second Place Dodgers 9-1

PITTSBURGH (AP)—Pittsburgh's last-place Pirates, who have been virtual doormats for the Brooklyn Dodgers the past three seasons, practically buried the Dodgers' pennant hopes Friday night with a 9-1 victory over the second place team.

The defeat kept the Dodgers 4½ games back of the New York Giants, who also lost Friday night. The jittery Dodgers committed five errors.

The Pirates took a 4-0 lead after two were out in the first inning and were never in danger as Max Surkont scattered five hits. Billy Loe was the loser.

Byrne, Yankees Whip A's 10-3

PHILADELPHIA (AP)—The New York Yankees kept their pennant chances just barely alive Friday night by whipping the Philadelphia Athletics 10-3.

Tommy Byrne helped win his own ball game, batting in three runs with a single and double, while Yogi Berra contributed a three-run homer.

The Yanks scored three times in the first inning.

The A's first run came on Bill Wilson's leadoff ninth inning homer.

Nats Blank Red Sox 8-0

WASHINGTON (AP)—Dean Stone restricted Boston to three hits, struck out nine and slammed a three-run homer to lead Washington to an 8-0 victory over the Red Sox Friday night.

Eddie Yost, Washington third baseman, was struck on the left ear by a ball pitched by Russ Kemmerer, Boston rookie right-hander, and was taken to a hospital for observation. He was bleeding profusely as he was carried from the ballpark but didn't lose consciousness.

Roodhouse Beats Waverly 6-0

The Roodhouse Railroaders scored in the third quarter to beat visiting Waverly 6-0 in the season's opener for the two schools last night.

The Railroaders scored on a 70-yard pass play from Hausman to Northcut. It was a good even game all the way with both sides playing excellent football.

WHITE SOX GET PITCHER

CHICAGO (AP)—The Chicago White Sox Friday obtained pitcher Bill Fischer, a 14-game winner in the Southern Assn. from their Memphis farm club in exchange for pitchers Luis Aloma and Al Zilian.

Routt Rockets Open Season At Dosh Tonight

The Routt Rockets open their 1954 football season tonight when they travel to Meredosia for a PMBC Conference battle. Game time for the opener will be 9 p.m. Jacksonville time. (8 p.m. Standard Time.)

Coach Jim Smarjesse announced his starting lineup yesterday but also stated several other boys will see plenty of action before the night is over. The Rockets will open with Rich Woodson and Pat Dowling at the ends, Jerry Lewis and Jim Cosgriff at the guard spots, and Dick Lewis at center.

The backfield will be piloted by quarterback Jim DeVore, Reggie Doolin gets the nod at left half with either Don Fredericks or Pat Flynn at the right half back position.

Other players expected to see action are Walls, Sargeant, Casler, Murphy, Long, Cook and Baptist.

Winchester Scores 26-6 Grid Win Over Mt. Sterling

WINCHESTER.—(Special)—The Winchester Wildcats won their season's opener last night as they defeated visiting Mt. Sterling 26-6 before the home town crowd.

The winners scored twice in the first period. Lashmet raced 70 yards for the first score and Jefferson ran 25 yards for the second touchdown.

In the second period, Pat Lashmet came back on a four yard plunge to score his second T.D. of the night and put Winchester ahead 19-0. Jefferson's try for the extra point was good.

Benton scored from the two-yard line in the final period and a pass to Hubble was good for the extra point. Mt. Sterling pushed its lone marker across in the final quarter when Brown went over from the 15.

The Wildcat's final touchdown came after Miller blocked a Mt. Sterling punt. Several Winchester boys came through in fine style on defense. Anders, Benton, Bigley and Miller kept the Mt. Sterling backs on their toes as they charged across the line.

Both Teams Score In Final Quarter Of Season's Opener

The Jacksonville Crimsons and the Pittsfield Saukees battled to a 13-13 tie before some 3,000 fans in the season's opener at the local athletic field last night.

The first touchdown of the game came in the second quarter when Larry Scott intercepted a Pittsfield pass on his own 46 yard line and raced 54 yards to pay dirt. Woodward's try for the extra point was good and the Crimsons jumped off to a 7-0 lead.

Pittsfield came back with a march of its own but was stopped when Dyer intercepted one of Aiken's passes and made a 15 yard run to the Pittsfield 36. After Trier picked up five, and an attempted pass was incomplete, Fairfield raced to a first down carrying the ball to the 25 yard line. However, the half ended and the Crimsons carried a half time lead of 7-0.

The third quarter was marked by a beautiful run by Conger, picking up 38 yards and carrying the ball to the Jacksonville 33 yard line. The play was set up as the Crimsons fumbled after taking over the ball from the Saukees on the second down.

Aiken fired a pass to Barber good for eight yards to the Jax's 25 yard marker. A direct pass to Sanderson carried the ball to the eight and after a short pass picked up five yards, Heavener went off tackle to score Pittsfield's first T.D. The try for extra point was no good and the Crimson led 7-6.

In the fourth period, Aiken used an option play and handed off to Conger who picked up 15 yards before a fumble and Marquard's recovery gave Jacksonville the ball and set up their final touchdown. Skip Dyer raced off tackle for a beautiful run and dodged the 33 yards to score the final touchdown for the Crimsons. This time Woodward's try was blocked but Jacksonville led 13-6.

However, the Saukee came back to tie the score before the final horn had blown. Sanderson returned the kickoff 25 yards to the Pittsfield 44. A series of runs plus a 30-yard pass from Aiken to Sanderson placed the ball on Jacksonville's 30 yard stripe. A personal foul against Jacksonville placed the ball on the 4-yard line and Dennis Heavener raced off tackle for his second T.D. This time the try for extra point was good and the score was tied 13-13.

The Saukees tried for an off-side kick but Jacksonville took the ball on their own 45. Trier carried to the 49 and Dyer picked up four to the Pittsfield 47. Scott tried for a first down with about two feet to go, but was stopped by the stubborn Saukee forward wall.

Pittsfield took over but time ran out and score ended with a 13-13 tie.

The Crimsons picked up five first downs in the first half but only one in the second period. Pittsfield had a total of ten first downs. The Crimsons had 108 yards rushing while the Saukees racked up 134 yards. Penalties were even with both sides drawing the colored handkerchief twice. Jacksonville fumbled five times but recovered two themselves. Jacksonville's air attack didn't come through. The Saukees made 70 yards through the air.

Phillies Delay Giants Pennant Race, Win 4-3

NEW YORK (AP)—The Philadelphia Phillies delayed the New York Giants' pennant march Friday night as Robin Roberts vanquished Johnny Antonelli in a 4-3 pitching duel.

A single by Del Ennis with the bases loaded and one out in the eighth inning drove in Philadelphia's tying and winning runs after the Giants had gone ahead 3-2 in the fifth with two unearned runs.

The loss prevented the Giants from adding to their 4½-game lead over the Brooklyn Dodgers, who also lost Friday night.

Roberts yielded seven hits as he registered his 21st victory of the season.

New York Stock Market

NEW YORK (AP) — A new high mark was recorded Friday by the stock market in a moderate advance.

In just one month the market completed a reaction from the previous high and went through a smart recovery.

The Associated Press average of 60 stocks Friday gained 80 cents at a new high of \$135.10. That is 20 cents above the previous mark established Aug. 20 and is the best for the average since Oct. 22, 1929.

For some time the market has been going through a series of 25-year peaks.

The market started upward and continued ahead until just before the close when it sold off a bit. The oils and rubbers were strong, and many individual issues including low priced shares came to the fore.

Also higher were the non-ferrous metals, mail order issues, chemicals, electrical equipments and utilities.

The railroads were neglected and ended somewhat mixed. The radio-televisions were mostly lower.

The average in establishing its new high of \$135.10 was pushed along most strongly by the industrial component up \$1.60 at a new high of \$184.90. The railroads held unchanged while the utilities gained 20 cents.

Volume came to 2,250,000 shares as compared with 1,880,000 traded Thursday.

The American Stock Exchange was higher on volume of 730,000 shares. That compared with 810,000 traded Thursday.

New York Bond Market

NEW YORK (AP) — Intermediate and long term U.S. government bonds climbed in an irregular bond market Friday.

A late rally in Treasury bonds traded over the counter pushed the 30-year 3 1-4s up 2-32 at 110 24-32 bid.

Changes in the corporate list were generally small fractions. But utilities and investment quality industrials, especially steels, drifted lower. Railroads fluctuated narrowly. "Big Board" volume declined to \$2,930,000 par value from \$3,090,000 Thursday.

MITCHELL TO RECOMMEND OVERTIME PAY
LOS ANGELES (AP)—Secretary of Labor James P. Mitchell said Friday he will recommend to Congress that federal laws be amended to require payment of time and one-half for work in excess of 40 hours per week and 8 hours per day.

"During the past year — became aware of serious gaps in the eight-hour law," Mitchell told the AFL's building trades and construction department, meeting here prior to the AFL convention next week.

"Apparently there is nothing to prevent a contractor from working his employees seven eight-hour days, or a total of 56 hours, in a week without the payment of overtime compensation."

Virginia Beats Chapin 39-6

CHAPIN —(Special)—The host Chapin Bears lost to visiting Virginia last night 39-6 in a PMBC Conference game.

The winners scored three times in the first six minutes of play as Coach Paul Morris' team had its reverses working to perfection.

The half time score was 26-6 with the winners pushing two more T.D.'s across in the final half.

Smith and Delmotte did most of the scoring for Virginia. Nelson Smith scored the lone touchdown for Chapin.

WHEAT LEADS PRICE UPTURN IN GRAINS
By WILLIAM FERRIS

CHICAGO (AP)—All grains except soybeans moved higher in active dealings on the Board of Trade Friday. Wheat led the upturn.

Export buying and frost in parts of Canada were behind the upturn in wheat. At Minneapolis, where wheat has been stronger than at Chicago all week, new seasonal highs were set.

September soybeans continued its steep plunge, falling more than seven cents and never showing any real rallying power. Its weakness dragged other months down with it. Feed grains were firm after early hesitancy and rye rallied smartly after Thursday's drop.

Wheat closed 1 1/2-2 1/2 higher, corn 1/2-3/4 higher, oats 1/4-1/2 higher, rye 2 to 2 1/2 higher, soybeans 2 to 7 1/2 lower and laid 10 cents lower to 60 cents a hundred pounds higher.

West Germany bought 2,600,000 bushels of hard wheat, Holland 1,400,000 bushels of hard wheat and Japan 1,800,000 bushels of Pacific Coast white wheat.

The frost in Canada was expected to result in an even larger proportion of wheat unfit for human consumption than had been anticipated.

September soybeans again met very heavy liquidation. Cash bean receipts totaled 142 cars, following upon 155 Thursday. Traders were expecting between 400 and 500 cars of soybeans at Chicago Monday and it was considered possible some beans were being brought here for delivery on September futures.

SUSPECT

By Hugh Lawrence Nelson

THE STORY: There seems to be a concerted effort to keep Private Detective Jim Dunn from reaching a summer cottage in which he will pose as a caretaker while doing some investigating work for Mrs. Kit Carlson. The Carlson family, very wealthy, is a patriarchy governed by the senior Mrs. Carlson, Mrs. Oswald. There are several other women in the group, all identified by the first names of their husbands.

THE station wagon crossed a bridge over a noisy mountain stream and reached the level ground at the shore of Puma Lake. Diagonally across that smooth water, lights gleamed from "Carlson's Castle," separated from the shoreline from The Spires by the sheer walls of the high cliff known as Lion's Head. But here, perpendicular dark fingers thrust up to shut out the plentiful stars.

Jim coasted to a stop on a turnaround beside the house. He turned off the headlights. Heavy darkness leaped at them from the rocky lurking places, and the sound of dashing water seemed louder and closer. Jim felt Nancy's fingers on his arm as he was already reaching for the switch. The headlights were welcome.

The house they showed was a long, rambling place, with bark peeling from the outside slabs. Before them a double garage showed doors sagging on bent and broken hinges.

There were two paths from the turnaround. One led around the house toward steps leading to a wide veranda. The other went directly toward a slab-covered door at ground level. Jim was out of the car, holding the door for Nancy, when she whispered in his ear, "Listen, Jim."

They stood motionless, straining to separate the noise of water

hand-operated elevator to the wood up to the floor above."

He moved the crank, turned it around. The platform elevator moved upward slowly and the pawl came out of the toothed wheel with a clink, settled into the next place with a clank.

"That's the noise, Jim," Nancy said. "Someone hauling up wood? A welcoming gesture?"

Dunn held the light steady on the three pieces of wood on the platform. They were ready for those pieces of wood had been around for years," Jim said. "I don't think it was our comfort the person who was raising that elevator had in mind."

He found the switchbox back near the door through which they had entered. The turning of the master switch put on half the lights in the house. The stairway door, unlocked, opened on a small, modern butler's pantry. Swinging doors opened into a well-stocked kitchen and into a beam-ceilinged dining room. In contrast to the basement, everything upstairs had been thoroughly and recently cleaned.

THEY moved silently on through the wide arch into an even larger living room. They made a quick search of the five bedrooms, three of which were ready for occupancy.

"Our client," Nancy pointed out, "didn't know the beds would be made up, or she wouldn't have had us bring along that load of new bedding."

They went to the front door, found it locked.

"First door we've found locked so far," Jim said. He unlocked and opened the door. A light was burning on the broad veranda, and it shone clearly on a carved sign. The Spires.

He slammed the front door with relief. "Right place," he said. "Look, Nancy, why don't we help ourselves to something to eat? I'll go down and get our bags, and then we'll pick a room. We'll unload the jeep tomorrow and hunt around for the caretaker's cabin."

Gov. Stratton Will Be Homecoming Speaker At Illinois College

Governor William G. Stratton will speak at the 125th anniversary Homecoming of Illinois College Saturday, October 16, Attorney T. C. Rammekamp, chairman of the alumni committee for the anniversary celebration, announced Friday.

The ceremonies will be held at 10 a. m. on that date, and will take place in the new memorial gymnasium.

Sport Center Grand Opening This Saturday

The Grand Opening for Don's Sport Center, located at 206 East State street, will be Saturday, Sept. 18. The attractive entrance is a Keweenaw front and is brown in color. Don's Sport Center caters exclusively to the sportsman, the athlete and the family.

The interior has an attractive pink ceiling with sandstone walls and lined oak show cases and fixtures.

The new business is owned and operated by Don Painter who came with his family to Jacksonville three years ago from Canada. When Mr. Painter came to this city he was district manager of the De-Kalb Agricultural association, an organization he spent 16 years with before resigning to enter the merchandising business.

Mr. Painter is married and with his wife and three daughters, Nancy, Patty and Linda, reside at 1001 Edgemoor Road. He will be assisted in the new business by his wife and eldest daughter, Nancy, who is a senior at the Jacksonville high school.

Pittsfield M&M Hostess Becomes Ill At Meeting

PITTSFIELD—The M&M Club (Maid and Matrons) met for their opening meeting of the year for a dinner bridge at the Community Center on Thursday night, Mrs. Helen Schimmel and Mrs. Velma Barber were hostesses.

Following the dinner, bridge was played at the Schimmel home, with Mrs. Earl Miles winning high score.

Prior to the dinner at the Community Center, Mrs. Schimmel had slipped and fallen or her recently waxed kitchen floor. She attended the dinner but as the evening wore on she became more and more uncomfortable, and a doctor was called. She was taken to Illinois hospital where she remains as a patient.

Her injuries have not been fully diagnosed, but it is believed that they are not serious.

Officers elected for the year at Thursday night's meeting were Mrs. Merle Barber, president, and Miss Grace Shaw, secretary and treasurer. The group meets once a month for bridge.

Legion, Girl Scouts Patch Up Feud, Commander Says

INDIANAPOLIS (AP)—Seaborn P. Collins, new national commander of the American Legion, said Friday the legion and the Girl Scouts of America have patched up their quarrel over the scout handbook.

Collins, here for his first visit to the legion's headquarters, said Girl Scout officials have accepted legion recommendations deleting scout handbook sections which the Illinois legion had called "un-American."

Collins blamed the disputed handbook sections on "a few anti-religious writers—Girl Scout officials were innocent." The Girl Scout officials made the changes to "clear up misunderstandings," denying there were actually any subversive sections.

Open House At Country Club

This Sunday will be open house at the Jacksonville Country Club for all golfers in the Jacksonville area. The annual Park Day is held in conjunction with Nichols Park and all golfers who normally play their golf on the public course are invited to play at the club free of charge.

There will be a bankers handicap with an entry fee of \$1.00 to cover the cost of the prizes. The prizes will be awarded that evening.

RUNAWAY CAR KILLS GIRL, 5—AZUSA, Calif. (AP)—A runaway car killed a 5-year-old girl, then demolished a baby carriage holding a 7-month-old baby and finally struck a stroller with another infant.

Police said the car, driven by Elmer Perry, 16, of Azusa, went out of control Thursday.

Police said Miss Perry told them she fell on her shoulders and she lost control in stooping to pick them up. She was not held.

Round & Square Dance—No. Jacksonville School, Sat. Sept. 18 9 to 12 (O.S.T.) Bowens Orchestra, 50c each Public Invited. Paul Fynn, caller.

The college, the first in Illinois to grant a diploma, was founded in 1829. Andrew Jackson was then U. S. President and Chicago had not yet been incorporated. The college has always been privately supported.

As part of the October 16 program, distinguished service citations will be presented to a limited number of Illinois College alumni in recognition of their contributions to humanitarian or charitable causes, or the intellectual life of the nation, the state or the community, or to Illinois College.

New Dormitory Ready—A new dormitory for 106 men, ready for occupancy this fall, will also be officially received that morning. After the ceremonies, the dormitory, as well as other campus buildings some of which have been renovated and redecorated during the summer, will be open for inspection.

Of interest to alumni of the classes of 1891, 1892, 1893 and 1894, and to students of those years of Whipple Academy, a former preparatory school which was located on the campus, is the opening that morning of the cornerstone box from the old gymnasium, constructed in 1891-2. The box is believed to contain mementos of the period. The old gymnasium, no longer usable, was torn down this summer. The new physical education building was completed in 1951.

The afternoon events for October 16 include the annual Homecoming parade of floats, the football game with William Penn College of Iowa, reception of alumni and other visitors at Barnes house by President and Mrs. William K. Selden. A homecoming dance will be held that evening.

The weekend will open Friday, October 15, with an afternoon tea at the David A. Smith house. 100 years old this year. Mr. Smith, a former Illinois College trustee, was an attorney at the time of Lincoln and the two were friends.

Literary Society Reunions—Friday evening the men's and women's literary and debating societies, some of which were formed on the campus shortly after the college was established in 1829, will hold reunions. Later there will be the Homecoming bonfire on the old athletic field, to be followed by refreshments at the new student center on the ground floor of the new dormitory.

E. Dwight Smith, Oak Park, is president of the Illinois College Alumni Association. Mrs. Arthur French, Jacksonville, is vice president, and Miss Isabel Cully, Jacksonville, is secretary-treasurer. Dr. James L. Bunch, Jacksonville, heads the committee to recommend candidates for alumni awards.

Harry J. Dunbaugh, senior partner of the Chicago law firm of Isham, Lincoln & Beale, is chairman of the college trustees, while Robert M. Capps, president of J. Capps and Sons, of this city, is chairman of the 125th anniversary trustees' committee.

The dormitory contains, besides rooming accommodations, a boys lounge. In the student center section on the ground floor there is a snack bar, fireplace, and lounge. The student center overlooks Russell athletic field.

The dormitory was one of the objects of the 1951-52 Forward Movement program, conducted under the leadership of Harold E. Gibson, Normal, formerly of Jacksonville, who was the national alumni president of Illinois College that year.

Driver License Offices Will Be Closed Two Days

All driver license examining stations in Illinois will be closed next Monday and Tuesday, Sept. 20 and 21, to permit the inspectors to examine high school students. The Morgan county office in the basement of the court house will be closed on those days, while the personnel of the local office is working with high school boys and girls who have applied for drivers' licenses.

Dean Miller, supervisor of this district, said the regular schedule of office hours will be resumed after exams are given to high school boys and girls.

SON AND DAUGHTER WILL SHARE ESTATE

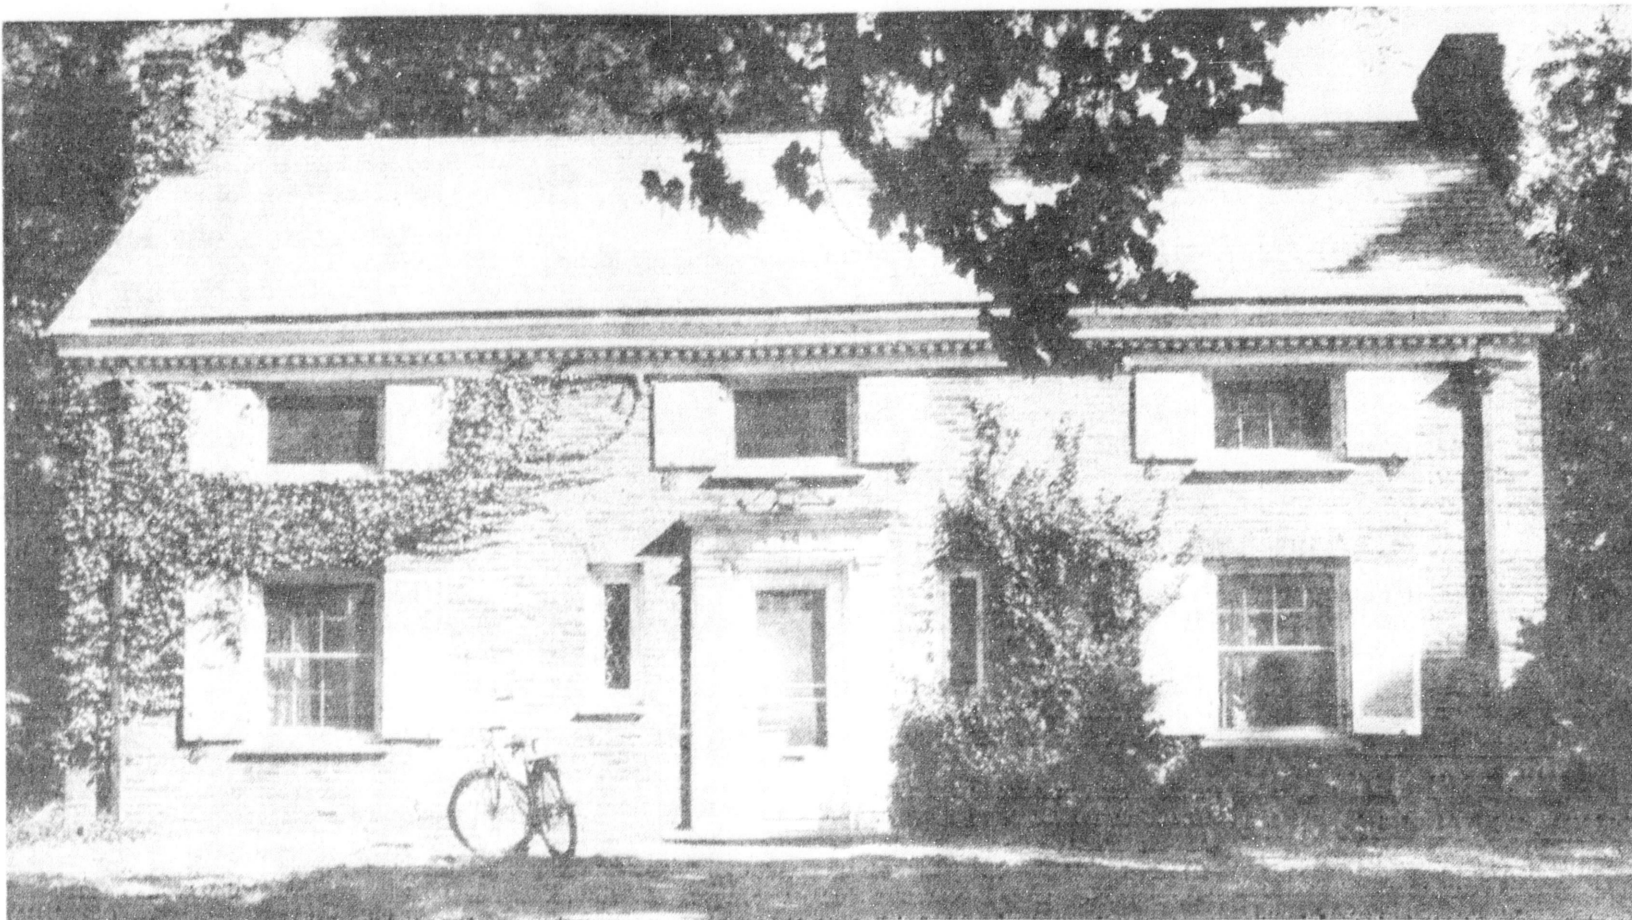

The will of the late Herman Berghaus of near Bluffs has been filed for probate in Morgan county, bequeathing his property to his son and daughter, Alfred and Elma Berghaus, who were named to serve as executors.

Mr. Berghaus executed his will April 10, 1939, witnessed by Neil M. Staley, Bernese Watts, and William E. Thomson.

Earl H. Floreth, technician at the Ill-Mo Welding Products Co. of Jacksonville gave a talk on oxygen therapy at a meeting of Division 9 of the Licensed Practical Nurses Association, held at the Y.W.C.A. building in Springfield. A film depicting the different methods of administering oxygen was shown.

Mrs. Mary Rannels, division president of the association, was in charge of the meeting. Delegates from 11 central Illinois counties were in attendance, including Miss Louise Reiter, R. N. of Decatur, district adviser.

The next division meeting will be held Nov. 1 at the Y.M.C.A. in Decatur, at which time an election of officers will be held. Mrs. Jean Covoran, Chicago, president of the state association of licensed practical nurses, will be present.

Urge Workers For Civic Music Have Reports Prepared

"I should like to stress the importance of having all workers' reports in on Saturday morning," Mrs. J. T. Chandler, chairman of the MacMurray-Civic Music membership campaign, said in reporting the progress of the campaign.

"There is so much last-minute work to be done before the close of the campaign at 5 o'clock," she continued, "that it would greatly facilitate the work of the office staff and the Talent Committee if we could have all workers' reports in before noon."

Concerts now assured are: Nov. 12, Nadine Connor; Jan. 17, I Musici; Feb. 24, Leonard Warren and March 10, Nathan Milstein.

Final results of the campaign will determine whether or not Gina Bachauer, world-famous pianist, will appear on the series.

Lectures scheduled include: Oct. 13, Marquis Childs Washington Calling; Nov. 5, Harriett Gray Modern Dance Group; Jan. 14, Rosalind Fuller, English actress and Feb. 11, Carl Shapiro, Editor of Poetry Magazine.

Combination concert and lecture series tickets at 10 dollars or concert series tickets at six dollars are available only until 5 o'clock Saturday evening. Lecture series tickets will be available after that time but will not be sold at the reduced rate of the combination ticket.

YWCA and assistant executive for the St. Louis Girl Scouts. Mrs. Crossen will sponsor the Student Social Committee and the Student Dining Hall Committee at MacMurray.

'HAUNTED TV TUBE' REPLACED BY STATION—INDIANAPOLIS (AP)—Mrs. John Mackey's television set was back home functioning normally Friday after removal of the picture tube that had frightened her with an indelible image which she said looked like her dead grandfather.

The "ghost" appeared on other television sets of the Indianapolis area with the help of a station WISH camera. An electrician explained to the TV audience that the image must have been that of some television actor, burned into the phosphorescent lining of the tube by some electronic surge.

The "haunted" tube was sent to the manufacturers for examination and WISH gave Mrs. Mackey a new tube.

\$250, Watch Taken In Alexander Stickup

The grocery-restaurant and filling station operated by Mr. and Mrs. Leonard Clancy on the eastern edge of Alexander was the scene of a stick-up at 3:45 p. m. Friday.

According to the sheriff's department investigation two men arrived at the filling station and got some water for the radiator of an old car. A few moments later one of the men went into the place and ordered a coke. He looked over the place and then drew a revolver and forced Mrs. Clancy, Beulah, and her father-in-law, William, 90, to lie on the floor. He took all the cash in the place about \$250, plus a watch from the elder Clancy.

The other man was waiting at the wheel, with the engine running, when the gunman ran out of the door. There was no license plate on the rear of the car. It sped east.

Mrs. Clancy called the sheriff's office and a description of the men was filed on the police radio network. Early last night a man answering the description of one of the individuals was picked up by Springfield police.

Sheriff Hembrough and the Clancys went to Springfield to view the suspect, but he was cleared of the crime.

Eugene Viars Gets 90 Days At Pittsfield

PITTSFIELD—The trial of Eugene Viars, 31, of Quincy, charged with driving while intoxicated, was begun at the opening of the County Court on Thursday morning and was concluded at 11:15 Thursday night when the jury of seven men and five women returned its verdict of guilty, sentencing the defendant to 90 days in the county jail.

This was the second offense for Viars. He had been arrested before in Quincy for a like offense, making a jail sentence mandatory, rather than the usual fine for first offenses.

Seven witnesses appeared for the state, including Officer Floyd Syvle, who had made the arrest on June 13, 1954, on the highway in West Pittsfield.

Only two witnesses were presented for the defense, the defendant, Viars, and a woman companion at the time of his arrest. Both testified that the woman was driving and not the defendant at the time, contrary to the decision of the jury and their verdict later.

BONANZA IN DRIFT FROM HURRICANE

OLD ORCHARD BEACH, Maine (AP)—From 3,000 to 5,000 cords of pulpwood washed up on the sands of this ocean resort Friday became a blessing in disguise.

It was part of 40,000 cords that broke out of a boom about 100 miles away during hurricane Edna.

The paper company that lost the wood offered to pay the town \$5 a cord to collect the logs and stack them. The town promptly accepted and Herman Merrill, head of the Highway Department, said:

"We'll probably make enough to offset our hurricane damage losses and probably a little more."

DR. MAUD SLYE, PATHOLOGIST, DIES

CHICAGO (AP)—Dr. Maud Slye, a retired pathologist noted for her extensive cancer research, died of a heart ailment Friday night. She was 75.

Miss Slye held the rank of associate professor emeritus of pathology at the University of Chicago since her retirement in June 1944.

She was admitted to a hospital Aug. 16 following a heart seizure. She suffered a second attack Friday.

She has no survivors.

DULLES MUSES ON FAME

LONDON (AP)—U. S. Secretary of State John Foster Dulles mused good humoredly Friday night on the meaning of fame as he moved to board a plane for home after his eventful conference with British Foreign Secretary Anthony Eden.

Several hundred persons in the airport enclosure cheered wildly as Dulles stepped from his car. They were teen-agers, practicing under cheer-leaders a welcome for an American crooner named Frankie Lane who was due in from Paris shortly.

"I thought they were here to greet me. What a disappointment," said Dulles with a chuckle. "See what fame means," he remarked to an American Embassy official.

REDS WARN PARTY

TOKYO (Saturday) (AP)—A member of Red China's powerful Politburo sounded a warning Friday in Peiping that the Communist party could be destroyed from within unless a way of thinking by Chinese "puffed up with themselves" is overcome.

Peng Chen addressed the third day's session of the Communist-dominated People's Congress, ostensibly on the new draft constitution, but he spent most of the time calling for vigilance against internal dangers.

Fried Chicken Every Sat. CANNON RESTAURANT 519 E. STATE Open daily 11 A. M. to 1 P. M. except Sunday.

Pittsfield Fall Festival Gets Off To A Good Start

PITTSFIELD—The Fall Festival got off to a good start Thursday night, with all concessions busy and the large crowd enthusiastic.

Main feature of the evening was the presentation of 44 local candidates for Queen on a flood lighted stage with Bill Greife as M.C. They were beautiful in their colorful, bouffant gowns.

Several beauties from neighboring towns in Pike County were also introduced, including Miss Betty Goeway, the Apple Queen of the Griggsville Festival, who was resplendent in her gown and wearing her crown.

The Queen will be crowned on Friday night, and until the moment of the crowning it will not be known even to the five contestants who remain in the contest after last night's eliminations, just which one of them will be crowned.

The names of the five Queen and four attendants are also being kept secret until Friday night. Judges were from Quincy—Viola Shuts, John Phillips and Russell Klotzfoelter.

Mrs. Myrtle Zimmerman was chairman of the Queen committee, and deserves much credit for assembling such a large group of beautiful girls.

Following the presentation of the candidates for Queen, all of whom were sponsored by a business firm of the city, the Welken rang with the "Swing your partner" and the "Do-si-Do" of the square dancing.

Personals—Mrs. Fred Niebur has received word from her son, L. F. Niebur, and wife of North Adams, Mass., that they will arrive here on Monday for a visit with her and their brothers and sisters and other relatives.

Mrs. Leslie Anderson, William Dustin and their mother Mrs. Flora Dustin, left Friday morning on a vacation motor trip to Boston and other points of interest in the New England States and Canada.

Arthur Godfrey Gets Pilot's License Back

TEETERBORO, N. J. (AP)—Arthur Godfrey got his pilot's license back Friday after an hour and 15 minute flight test.

The radio and TV star said it felt "very, very good" to get back into the air and fly a plane again.

"It's like an old shoe," he added, "when you put it on, it fits."

Godfrey took off from Teeterboro Airport in his private DC-3 twin-engine plane at 2:15 (EST) for the flight test required before he could regain his license. The Civil Aeronautics Board revoked Godfrey's pilot's license six months ago for reckless flying.
